Form 990, Part III, Line 4a, Program Service Accomplishments:

- Smart Girls is designed to meet the developmental needs of club girls by exploring their own and societal attitudes and values as they build skills for eating right, staying physically fit, getting good healthcare, and developing positive relationships with peers and adults.

- Passport to Manhood promotes and teaches responsibility in club boys by engaging them in discussions and by helping youth understand the importance of college, academic preparation, discovering strengths and interests, college search and application process, financial aid, and college expectations.

- Money Matters promotes financial responsibility and independence by building their management skills and learning how to manage a checking account, budget, save and invest, start a small business, and pay for college.

- Power Hour provides homework assistance, tutoring, and resources that encourage members to become self-directed learners.

- Skill Tech is a computer program that develops club members' proficiency with office productivity software through fun, hands-on, engaging lessons and projects.

- Triple Play Healthy Habits encourage physical fitness through intramural leagues, social recreation, and healthy eating habits by teaching the power of meal choices, calories, vitamins, the food pyramid, and appropriate portion sizes.

Form 990, Part III, Line 4b, Program Service Accomplishments:

Academic enrichment is also offered during summer programs to minimize summer learning loss. Literacy programs provide accelerated learning opportunities to assist members with closing learning gaps.

Form 990, Part III, Line 4c, Program Service Accomplishments:

Youth of the Year is a youth recognition program for club members that promotes and celebrates service to the club, community and family, academic performance, moral character, life goals, poise, and public speaking ability. Local clubs recognize members each month and select a Youth of the Year, who then participates in state competition. State winners participate in regional competitions and regional winners compete on a national level. The national Youth of the Year winner receives a scholarship and is recognized by the President of the United States.

Form 990, Part III, Line 4d, Other Program Services:

The Life & Workforce Readiness program is an integrated framework and approach that provides foundational skills and experiences, foundational career education, and advanced opportunities including work-based learning for youth in the Greater Houston region. Boys & Girls Clubs of Greater Houston believes when every young person has access to quality out-of-school opportunities that intentionally support their post-secondary readiness, they are well-positioned for

Great Futures. BGCA's evidence-informed approach to workforce readiness puts holistic skill development and career exposure at the forefront of each club member's experience. The goal is to provide all youth, from age six through their teen years, with the knowledge, skills, and learning experiences they need to succeed in life and work after graduation.

Career exploration provides members with exposure to the world of work and pathways to careers of their choice. In their Club experience, all members as early as six years old develop essential skills critical to success in work and life. They also gain access to job-specific hard skills to prepare them for employment. Members receive opportunities to learn and demonstrate their skills in real-world work scenarios.

Expenses \$ 2,139,371. including grants of \$ 0. Revenue \$ 0.

Family engagement is a family-centered and strengths-based approach to making decisions, setting goals and achieving desired outcomes for our club members and their families. BGCGH believes in creating and sustaining strong relationships with families through engagement, empowerment, and access to community partners to positively impact the well-being of the whole family. BGCGH achieves this through family engagement, partner roundtables and family fun fests. Family engagement events are BGCGH events in which parents are invited as the audience as well as participants. The added criteria to BGCGH events which makes these events unique is an intentional thought of including community partners that will add benefit to families through these connections. We use this opportunity to bridge the gap of services that are available within a given community, which parents may not otherwise have. Parents receive information, ask questions and sign up for various services during our family engagements events. Clubs are required to have a minimum of two family engagement events per year.

Family roundtables are BGCGH club meetings held with parents of club members and are facilitated by the club director. The goal of parent roundtables is to solicit input/feedback from parents regarding the club experience. Typically, 10-15 parents are invited to participate in the roundtables. The roundtable atmosphere is a "safe" place in which parents are invited to share positive experiences as well as share opportunities for the club to optimize the club experience for members and parents. Clubs are required to have a minimum of two roundtables per year.

Family fun fests are typically Saturday events at clubs designed to provide FUN for club members and parents. Family fun fests are similar to traditional family engagement events as community partners who can provide benefit to families are invited. The added component making family fun fests different from traditional family engagement is a carnival-like atmosphere focused on engagement of club staff, club members, parents and community partners. Clubs are clustered for family fun fests (those within a reasonable vicinity) while others have individual family fun fests (those in rural areas not within reasonable distance).
